# What's your alibi?

## Group A

### Suspects

Some sports equipment disappeared on Saturday afternoon from the local sports centre. You are suspects (they think it was you!). Explain that you were at the cinema together and that you are innocent.

- What film did you see?
- How did you arrive at the cinema?
- What time did you meet?
- Did you eat any popcorn?
- What did you do before the cinema?
- What did you do after the cinema?

The police officer is going to interview you each separately. Be careful or you will all go to prison if you don't give the same story!

## Group B

### Police officers

You think that these children have the sports equipment that disappeared from the sports centre on Saturday afternoon. You are going to interview them one by one to check they are telling the truth.

- What film did you see?
- Did you sit at the front or the back of the cinema?
- What did you have to drink? What did your friends drink? Who paid for the drinks? How much did they cost?
- Was there a lot of publicity before the film started?
- Were there many people in the cinema?
- Did you like the film? Did your friends like the film?
- What time did the film end?
- How did you go back home: by bus, by car or on foot?

Invent more questions to try and catch the suspects!

---

Work in groups. Group A: you are suspects. Work together to establish your story. Group B: you are police officers. Prepare your questions and invent some more to ask. When you are ready, work in pairs and act out your role.
