Bat Facts

Bats are mammals. They are the only mammals that can fly. There are nearly 1,000 species of bats in the world. Bats eat fruit and insects and are a natural form of insect control.

Bats generally live in caves or under bridges. They use echolocation to help them fly in the dark. Bats make sounds

as they fly through caves. These sounds echo from the cave walls. The bats hear the echo and this helps them to find their way. The biggest bat in the world is called the flying fox (or fruit bat). They have a wingspan of 152 cm.

They live on the islands of the Malay Indonesia archipelago.

1 Are bats mammals?

2 How many species of bats are there in the world?

3 What do bats eat?

4 Where do bats live?

5 What is the name of the biggest bat in the world?

2

1 How _____ do you go snorkelling?

a) many b) more c) often

2 When _____ you on holiday?

a) were b) do c) was

3 Paul _____ at school today.

a) weren't b) wasn't c) doesn't

4 Go _____ the bridge.

a) through b) in c) over

5 Go _____ the forest.

a) through b) over c) under

6 The turtles _____ in July.

a) hatches b) hatch c) watch

4 Answer the questions.

5 Circle and write the correct answer.

Part time jobs

Name: _____ Class: _____

1

Part time jobs

In Britain, a lot of teenagers get part time jobs at the weekend or in the school holidays. Popular jobs are babysitting, dog walking, car washing or delivering leaflets. Part time jobs teach young people responsibility and prepare them for when they have a full time job.

We spoke to Lucy about her part time job. 'I am a part time dog walker,' she says. 'I take my elderly neighbours' dogs for walks every day except Saturday when I relax. I want to be a vet when I am older so it is good for me to work with animals.'

- 1 Name two popular part time jobs in Britain. _____
- 2 What do part time jobs teach young people? _____
- 3 What is Lucy's part time job? _____
- 4 What does Lucy want to be when she is older? _____
- 5 What do you want to be when you are older? _____

2

1

I want to be a teacher.

2

I want to be a chef.

3

I want to be a vet.

a

*Wanted: Student aged 15-18 to help a child, aged 5, with primary homework.
Tel: 989000675.*

b

Can you help me? I am 75 years old and I can't walk my dog. Call Mary: 918777656.

c

*Busy restaurant needs someone on Friday and Saturday nights to help in the kitchen.
Call after 6 o'clock: 92345544.*

- 1 Answer the questions.
- 2 Match the job to the student and say why.

The three Rs

Name: _____ Class: _____

1

The three 'Rs'

The first Earth Day was on the 22nd of April, 1970, in the USA. Today, over 500 million people all over the world celebrate Earth Day. On Earth Day we think about how we can care for our planet. There are three words to remember and they all begin with 'R'!

Reduce

Reduce means to use less. We can use less water by having a quick shower. We can use less fuel by not taking the car and walking.

Reuse

Reuse means to use again. We can use paper on both sides. We can give clothes that don't fit, or sports equipment we don't use, to other people.

Recycle

Recycle means to make something new, out of something old. We can make natural fertilizer from organic leftovers, it helps plants and flowers to grow. There are recycling points in every town. We can take our plastic, glass and paper there to be recycled.

- | | |
|--|---|
| <p>1 When was the first Earth Day?
_____</p> <p>2 What do we think about on Earth Day?
_____</p> <p>3 What does reduce mean?
_____</p> | <p>4 Why is it a good idea to have quick showers?
_____</p> <p>5 What can we do with organic leftovers?
_____</p> <p>6 Is there a recycling point in your town?
_____</p> |
|--|---|

2

	At home	At school	In my town
Reduce	electricity: Always fill the washing machine.		
Reuse			
Recycle			

- 1 Read and answer the questions.
- 2 Write ideas about how you can help reduce, reuse and recycle.

Unusual jobs

Name: _____ Class: _____

1

Unusual Jobs

Dan Osbaldeston works at castles and museums all over England. He studied History at university. His job is very unusual, he is a court jester. He wears a big jester's costume and a jester's hat with bells. When he is working he plays the pipes (a), juggles (b) and walks around on stilts (c). He tells stories and jokes and explains history to tourists. His character is called Thomas Fool.

Diego Zeman works in the circus. His father is Brazilian and his mother is Hungarian. They were acrobats in the circus. Diego started training on the trapeze (d) when he was 8. Every day he works in Cottle and Austen Circus. He is a human cannonball. He climbs into the cannon and it is filled with air at high pressure. Then Diego flies through the air and falls in a safety net (e). A model of Diego is fired first to make sure everything is safe.

- | | | | |
|---|---|------|-------|
| 1 | Dan Osbaldeston works in a theatre. | True | False |
| 2 | He studied History at university. | True | False |
| 3 | When he is working, he wears a shirt and tie. | True | False |
| 4 | When he is working, he walks on stilts. | True | False |
| 5 | Diego Zeman's parents are Spanish. | True | False |
| 6 | He works in a circus. | True | False |
| 7 | He started training when he was six. | True | False |
| 8 | His model version flies first. | True | False |

2

Where do you work? What do you wear? Who do you work with?
 When do you work? What do you do? Why do you like it?

- 1 Read and circle *True* or *False*.
- 2 Imagine you have an unusual job, write about it in your notebook. Use the information in the box to help you.

Inventions

Name: _____ Class: _____

1

Inventions

Everywhere you look there are objects that make your life easier: phones, cars, even this book you're reading now! All these things were invented by people called inventors.

Inventions can be very simple, like the zip on your coat or very big and important, like the printing press.

Gideon Sundback invented the zip in Canada, in 1913. They used the first zips for boots. By 1930 they were put into clothes too. Imagine life without zips!

Johannes Gutenberg, from Mainz, in Germany invented the printing press in 1436. This invention changed the world. Before the printing press all books were copied by hand. Gutenberg produced the world's first printed book, the Gutenberg Bible, in 1454. After this invention, people could find out more about the world.

The zip

The printing press

1 Who invented the zip?

3 Who invented the printing press?

2 When was the zip invented?

4 What was the first printed book?

2

Aeroplanes/people's lives/go on holiday:

Aeroplanes changed people's lives because...

2

Television/people's lives/see world news:

3

Telephones/people's lives/talk to people:

1 Read and answer the questions.

2 Write about how these inventions changed people's lives.

Record breakers

Name: _____ Class: _____

1

Record breakers!

Longest domino course

89 domino builders from 14 different countries constructed the world's biggest domino course with 4,800,000 dominoes! 4,491,863 dominoes fell on the 13th of November in the Netherlands.

Biggest Lego car

The biggest Lego car was built in Chicago by Lego designers. They used 650,000 Lego components and worked for 5,500 hours to design and build the car. It was as big as a real one!

Smallest book

The world's smallest book is Joshua Reichart's ABC picture book. It measures 2.4 x 2.9 millimetres. It was made in Germany in the year 2000 and it has 32 pages.

Longest paperclip chain

The longest paperclip chain was made by Thomas Paul, in Germany, in 1992. He made it in the school holidays! It was 2,500 metres long and he used 111,000 paperclips.

Biggest Hot Wheels® car collection

Michael Zarnock, from the USA, has the biggest Hot Wheels® model car collection in the world. He started collecting in 1968 and now he has 8,100. He also writes books about the cars.

- 1 The 14 people who created a course of 4 million dominoes were from the Netherlands.
- 2 All the dominoes in the domino course fell.
- 3 The longest paperclip chain was made in Germany.
- 4 Michael Zarnock collects Hot Wheels® cars.
- 5 The world's smallest book is less than one centimetre in size.
