Advice	Possibility
You should take a warm coat. You'd better not light a fire. You ought to take a cell phone.	You may see some rare birds. You might get cold at night. You could fall if you don't have a flashlight.
Obligation / Necessity / Prohibition	No Obligation / Optional
You must keep to the paths. You need to be very quiet around wildlife. You have to bring enough water for two days. You mustn't feed the animals.	You don't have to bring a sleeping bag. You don't need to use a camping stove. You needn't take any money with you.
