

Future with *will*

We can use *will* to make general predictions (a guess about what will happen in the future), or to talk about hopes or beliefs in the future. *Will* does not change to agree with the subject:

I, you, he, she, it, we, they will/will not travel next year.

Will I, you, he, she, it, we, you, they travel next year?

The contraction of *will* is *'ll*. The contraction of *will not* is *won't*.
